30 Day Post-General Report (10-17-96 - 11-25-96)

Dear Ms. Tyndle:

I am writing to advise you that your letter of April 22, 1997 regarding the Boucher for Congress Committee's 30 Day Post-General Report may be in error.

According to your notice, you indicated that the Committee may have failed to file one or more of the required 48 hour notices. You also indicated that the contribution which the Committee received from AICPA Effective Legislative Committee which was disclosed on a 48 hour notice does not appear on Schedule A of its report. Please consider the following information and attached copies.

First, the 48 hour notice which the Committee submitted regarding the AICPA contribution indicates that it was received on 10/31/96 not 10/21/96 as your letter indicated. A copy of the 48 hour notice is attached.

Secondly, the Committee's receipt of the AICPA contribution on 10/31/96 is included in its report and is included in its summary. A copy of Schedule A Page 8 of 11 for Line Number 11c showing this contribution is also attached for your reference.

Lastly, if you there are other contributions which you feel should have been filed but were not, please let me know. Following my review of the Committee's report and its 48 hour notices, I did not find any others.

If you have any questions, please feel free to give me a call at (540)628-7197. Thanking you in advance for your consideration of the information which I have submitted, I am

Sincerely,
